

Sharlene and the team at Cover More,

Thank you so much for all your help with Samara's wish to go to the Gold Coast with her family. She had an incredible time and now wants to go back every year. She loved visiting their family friend who she had formed a close bond with since she was little. Thank you for making her one true wish come true. We couldn't have done it without you's

Amber and the Make-A-Wish Team
